Mail Stop PCT,

Commissioner for Patents

Dr.Y.Zagyansky, Entraide, 22 rue Ste Marthe,

Appl. N°PCT/IB03/03315, filing date 10 July 2003 "PostEinstein-Bohr Definitive End and development of New Physics with consequences as superaccelerators and direct electricity transformation into light" (Priority date: 19 July 2002).

Dear Sir, §1. I AM ENTERING into US National phase (see also Forms PTO-1390 and PTO/SB/01 here) WITH ALL COMPLETELY UNCHANGED TEXT of above Application and International Bureau transmits you the text of this published (WO 03/084301) Application with de facto (made by WIPO) Form PCT/IB/308 as well claimed priority PCT/FR02/02583 (priority date 19 July 2002) (French Receiving Office) (applied for all PCT countries). So, I ask the immediate publication of this Application in USPTO.

§2. The Search for the most important Claim 5 (new accelerators) was perfect. Unity of Invention is too obvious. But VERY clearly directly oppositely to law, ISA (EPO) did not make Search for claims 6, 8 and 9. Although, it does not concern strongly the USPTO Search with 3 permitted independent claims. So for any case, I make obligatory command: the order for Search of Groups of claims (classified by ISA) is: firstly group of claims 4, 5, 7, after this: claim 6, after this: claim 9 and after this: claim 8 and after: claim 2 and 3. VERY IMPORTANT: In connection: I must seriously pay attention of USPTO for PCT Guidelines §9.05 ["Rule 39.1(i) PCT: If theories are... to produce a practical application... , Search is required..."] and §5.12 (even... processes upon living things). USPTO INDEED follows these PCT Guidelines as ISA for USA Applicants, it means for USA National phase too (in taking the same Search of uncorrected Application). You should read all this concerned information (in IB Dossier) in my Fax letter to K.Idris (WIPO Director) (03 Sept. 04) (MY PERFECT CLEAR EXPLANATION).

§3. I am original sole independent inventor of this Application with small Unity status who does not have any agreement concerning this application.

§4. Translation of priority normally is asked specially by USPTO. The text of priority is directly translated in this Application. So the need is improbable. But I shall send the translation (of PCT/FR02/02583) by post.

§5. PAYMENT. RESUME: I ask USPTO to pay (\$460) for basic fee of this Appl.PCT/IB03/03315 from certain excess (at least \$460), resting from payment of basic fee for my previous application (PCT/EP02/..). And ONLY in the case of resting money already after NEW payment for present last PCT/IB03/03315 to refund EXCESS with help of my credit card according to PTO-2038.

Explanations: (a) I sent (by Chronopost) the cheque (Société Générale) for \$460 attached by 4 staples to Form PTO-1390 (11 Aug.04), that was indeed received (08/12/04) according to ulterior special signed letter of Chronopost for my another previous application (PCT/EP02/..). IT was 1st (FIRST) receiving that USPTO had FIRSTLY to cash for PCT/EP.... (b) Due to (earlier) too strange dates indications in Chronopost Internet, I sent also the same sum by post (International Mandat N°23, Paris-Odeon, 16 Aug.04) (c) And to assure receiving of \$460, I sent by post and Faxes parallel Forms PTO-2038 with data of my Card VISA (I used such way firstly and was not sure), wherein I clearly wrote on this Form ("To use this payment (basic fee) ONLY if" other payments did not arrive). (d) I have the data from my Bank that USPTO used this way (Form PTO-2038 for data of Card VISA) to debit (08/24/04) \$460 from my Account (e) I do not have any news from USPTO with filing date of this Application (PCT/EP/02..) and explanations, in spite my asking by special Fax). (f) Without doubt, USPTO had at least separate \$460 + \$460 for basic fee of Application (PCT/EP02/..) and at least \$460 had to rest and I wrote in Covering letter "to communicate" me about it by my e-mails. Wherein I wrote that in such case: "immediately I shall enter my (present New) Application PCT/IB03/03315 for US National phase" (g). So ASK YOU TO USE THESE \$460 (of at least resting \$460) for basic fee of already NEW PRESENT Application PCT/IB03/03315. (h) ONLY IN THE CASE OF EXCESS (receiving of ALL: \$460 + \$460 + \$460: last one by International Mandat), USPTO will refund me this EXCESS with help of my credit card account. Sincerely yours Dr.Y.Zagyansky My e-mails for urgent information: zagyansk@cyberport.tm.fr AND zagyansky5.yuly@laposte.net
